

# FAQs: How do I login?

To login, go to <http://auspace.athabascau.ca/mydSPACE>

When you access an area of AUSpace that requires authorization, the system will require you to log in. All users can register to become subscribers. Some restricted functions, such as content submission, require authorization from the community

If you are not an AU employee, before you log in for the first time, you will need to click on "register with AUSpace" and follow the instructions. After that, you will need to enter your username and password in the log-in form that appears.

Current AU employees can simply type in their username and password as if they are logging into myAU portal to view their expense or leave claims.
