

FAQs: How do I add my work to AUSpace?

Follows these steps to submit your work:

- Choose a collection
- Describe your item by adding metadata and keywords
- Upload the file(s)
- Verify the file is correct
- Accept the license
- Check the status of your complete submissions

For new submitters, here are a few tips:

- you must be authorized by a community to submit items
- the Submission Progress Bar guides your progress and can be used to navigate the submission process
- the more information you include about each item, the easier it will be for others to find your work
- if you need to interrupt or remove your submission use the "Cancel/Save" button
